Pomona College Commencement 2013
May 19, 2013

Friends, faculty, staff, distinguished guests, distinguished people who have been here all along
good morning.

Today is an important day. It is the day that we are celebrating the lives of our graduates.

everyone can be so chill

all the time.

We pride ourselves on being chill, but can we be real for a second? Sometimes being chill is the most useful things my mom ever told me was this we always judge our insides by
